

Dec exhibits at ILMAC Lausanne

September 29, 2020 - Despite the extraordinary circumstances this year, ILMAC will take place as planned on October 7th and 8th in the Palais de Beaulieu in Lausanne. The protection concept of the trade fair organization guarantees the best possible security.

We'll be there and our team is looking forward to welcoming you to our booth B05 in hall 7. We will be very happy to advise you on innovative process solutions and present you the latest developments at Dec.
