

Dec Group Announces Intrepid Bioprocess Technologies As US Sales For West Coast

February 9, 2021

Powder handling and high containment specialists Dec Group has announced the appointment of Intrepid Bioprocess Technologies as their US agent for the Westcoast including California, Oregon and Washington.

Intrepid will now add Dec Group's world-renowned PTS Powder Transfer System for safe reactor charging and conveying between processes, flexible and rigid process containment solutions including aseptic fill-finish, blending, micronizing as well aseptic powder handling solutions to its range of industry manufacturing brands.

Specialized expertise

With over 20 years' experience, Intrepid Bioprocess Technologies is the industry's trusted manufacturer's representative for bioprocess equipment and custom engineered solutions.

Dec consider themselves fortunate with this latest extension and look forward to a mutually rewarding long relationship.
