Frederic Pasche appointed as new Regional Manager for America

Dec Group's Executive Management has appointed Frederic Pasche as the new Regional Manager for the Americas.

Frederic Pasche is a business professional with a mechanical engineering background. He has accumulated over twenty-five years of working experience in capital investment goods including many years in the Chemical and Pharmaceutical sectors.

Mr Pasche benefits from a global background including EMEA, Asian and North American

markets. He has held positions both in the USA and Switzerland before joining Dec Switzerland as an Area Sales Manger in 2015.

As Dec USA Inc. continues to pursue its expansion, we will greatly benefit of Frederic Pasche's skills and expertise in developing new projects from the engineering phase to delivering the products. We are convinced of Dec's potential for growth in the US, Canada and parts of South America.

Frederic Pasche will replace Federico Juarez who filled this position on an interim basis and decided to pursue other career interests. Frederic Pasche will officially take up his position on 1st of July 2017.

About Dec

Dec (Dietrich Engineering Consultants) Group is the leading global provider of contained powder handling systems and is recognized as a world-leading expert in process containment technologies. It has been supplying the pharmaceutical, chemical, food and cosmetic industries for 30 years.
